Work Experiences:

Jan 2021 - Current Date

Frontend and WordPress developer | Pro-Solutions.net, Remote

Started as an intern with 52 people on board and I was the first of 4 people to be selected to work for the company, where I took a great role in delivering websites for local and remote clients as a frontend and backend developer. Developed multiple sites and earned a great deal of web development skills.

April 2019 - December 2020

Sales Supervisor | Mobile Outfitters, Beirut, Lebanon

Started work as a sales representative for a franchise company as a standup kiosk in ABC Achrafieh mall. Dealing with a lot of customers on a daily basis, I learned a great deal of customer interaction and persuading people of different classes. I got promoted after 5 months to a supervisor / trainer for new people.
